Make a small booklet (5 pages) with

One safety rule per page

A drawing for each rule

One line explaining why it is important

COMPUTER

****Project**:** ****Create a Winter Holiday Story in MS Word****

****Objective**:** Develop typing, writing, and formatting skills using MS Word.

****Instructions**:**

* Write a short story about your winter holidays or a fun fictional winter adventure.

* Include at least one image related to the story (like a snowman, snowflakes, or a winter landscape).

* Use formatting tools such as headings, bold, italics, bullet points, and change the font style and size to make the story more visually appealing.

(Take print out of your presentation or document)
