COMPUTER

****Project**:** ****Create a Winter Festival PowerPoint Presentation****

****Objective**:** Develop presentation skills and use PowerPoint for visuals.

****Instructions**:**

* Create a PowerPoint presentation about winter festivals around the world (like Christmas, Hanukkah, New Year's Eve, or Winter Solstice).

* Each slide should cover a different festival, with a title slide at the beginning and a conclusion slide at the end.

* Use images, bullet points, and animations to make it visually interesting.

(Take print out of your presentation or document)
